Information needed by missionaries (due April 15)

Bus/Car Arrival Time:

Number of Vehicles/Buses staying in parking area (all but support vehicles):

Number of support vehicles and trailers needed at campsite ie, Refrigerator trailer, food trailer, garbage trailer, etc.:

Special Medical conditions or disabilities (rickshaws are available): Call missionaries for other needs.

Number of handcarts needed (8-12 people/handcart). *Handcarts fit 10 buckets + a 5 gallon water jug.*

Trek Missionary Involvement needed ie, help transporting special guests/equipment:

Discuss check-in and departure procedures with missionaries)- where and when (we may have 2 groups at a time). Our orientation is about 15 minutes. Plan time for unloading, bathroom breaks, filling water bottles, gathering, and handing out handcarts in addition to this 15 minute time slot.

Trail Plans for Day 1, 2, and 3. Include times, trail #s and activities along the trail so the missionaries can plan for water, porta johns and road crossings. Consult with missionaries for time and trail suggestions if there is another group on property at the same time.

Trail plans must be submitted to lead missionaries before April 15.
